LGBTIQ+ Housing Project

About GRAI

GRAI is an organisation dedicated to promoting and supporting a high quality of life for older people of diverse sexualities and gender identities.

Project Goal

Our mission is to simultaneously tackle accommodation challenges faced by LGBTIQ+ students and reduce social isolation and financial strain among older LGBTI+ individuals by pairing them to create safe, mutually beneficial housing arrangements.

How it works

Older LGBTI+ individuals with a spare room or flat can be paired with LGBTIQ+ students seeking accommodation. Both parties will answer a questionnaire to ensure a compatible match based on similar values and personalities.
